Try **Online Engine** before you buy

Online Test Engine: Online Tool, Convenient, easy to study. Instant Online Access. Supports All Web Browsers.

PDF format: Easy to read and print learning materials, our products are available in PDF file format.

Desktop Test Engine: Installable Software Application. Simulates Real Exam Environment. Practice Offline Anytime.

### What Client's Say

*"I passed today with score 80%. I confirm that it's valid in UK. Focus on "Correct answer" and forget the "Answer X from real test". I had free new questions.*

Sebastian  
★★★★★

*"Questions from this HPE0-S51 dump are 100% valid... not all answers. I passed this exam a few days ago (in France) and got these results.*

Wayne  
★★★★★

You can control whether configured tabs are displayed or hidden from users in a profile. A tab that is disabled is hidden from users with the selected profile and can be unhidden by enabling it at a future time. By default, newly added tabs are enabled and displayed to users who have the profile. When you hide or unhide a tab, the following events occur:

- A. The value of the Status column changes for that tab.
- B. The value of the link toggles between Hide and Show depending on the selection.
- C. The tab is immediately hidden or unhidden from users on the home page of the selected profile.
- D. None of the above

**Answer:** A,B,C
